WE LOOK FORWARD TO WELCOMING YOU TO BEST PRACTICE IN NURSING **18-19 OCTOBER, NEC BIRMINGHAM**

Information was correct at time of press. CloserStill reserve the right to amend content without prior warning. The conference has been brought to you by CloserStill Medical in association with our partners and sponsors. The views and opinions of the speakers are not necessarily those of CloserStill Medical or of our partners and sponsors. Sponsors have not had any input into the programme except where an individual session states it's sponsored. The session topic and speaker have been developed by each sponsoring company. Our audience is made up of healthcare professionals, Doctors, Nurses, CCG leads, Clinical support staff, NHS managers, Allied Health Professionals (AHPs). AHPs are a diverse group of practitioners who deliver high quality care to patients by carrying out assessment, diagnosis, treatment and discharge, across a range of settings in the NHS, Local Authorities, independent and voluntary sectors, breaking down organisational boundaries and are also represented in Best Practice attendees.
